## WELLNESS ESTIMATE 7 YEARS OLD AND OVER

As you know, our pets age 7 times faster than we do. One year of our life is equivalent to 7 years for them. Because they age more quickly, medical problems become an issue earlier. The purpose of our wellness program is to catch these problems early before they can cause significant clinical symptoms or possibly shortens the life of your pet.

Procedure (Adult Wellness over 7 years)	Cost	<b>Routine Cost</b>
Comprehensive Senior Wellness Check-up Exam	FREE	60.00
Fecal Exam		
(check for intestinal parasites and evidence	• • • • •	17.00
of early bowel disease such as blood and/or mucous)	21.00	45.00
Tonometry (checks for glaucoma)	18.50	42.00
Complete Urinalysis Screen (Checks for signs of early bladder infections		
or evidence of bladder stones. Also an early		
diabetic detector)	26.50	65.00
ECG Heart Screen (Checks for early	20.50	03.00
signs of heart disease)	57.00	107.00
Blood Chemistry/CBC/Electrolytes/Thyroid	107.00	192.00
Nail Trim	10.00	22.00
TOTAL	<b>\$240.00</b>	\$533.00
TOTAL SAVIN	NGS: \$29	3.00
Because we believe so much in preventative medicine, we off		
significant savings. Our goal is to encourage you to continue to be	•	• •
